Don't hesitate to contact  
your Executive Board w/any  
concern you may have.  
Suzanne is always able to  
find some one or something  
for you too.

The International Facility Management Association, IFMA, is a member-centered association that exists to guide and develop facility management professionals. In support of its members, IFMA promotes the Facility Management profession by providing leadership, recognition and standards of excellence. Facility management is a profession that encompasses multiple disciplines to ensure functionality of the built environment by integrating people, place, process and technology.
