Don't hesitate to contact
your Executive Board w/any
concern you may have.

Suzanne is always able to
find some one or something
for you too.

The International Facility Management Association, **IFMA**, is a member-centered association that exists to guide and develop facility management professionals. In support of its members, **IFMA** promotes the Facility Management profession by providing leadership, recognition and standards of excellence. Facility management is a profession that encompasses multiple disciplines to ensure functionality of the built environment by integrating people, place, process and technology.
